**Sub:** Alienation of 25 acres of land for setting up Integrated Infrastructure Complex (IIC) for rehabilitation of PwDs, drug addicts, older persons and transgenders

Madam/Sir,

It has been decided to set up one Old Age Home, one District Disabilities Rehabilitation Centre, one Drug De-addiction Centre, one Home for Mentally ill, facilities for socio-vocational rehabilitation of Transgenders in every District. This infrastructure will aim at holistic geriatric care and improving the lives of persons with autism, cerebral palsy, mental retardation, multiple disabilities, other PwDs, drug addicts and transgenders. These categories of persons usually eke out a miserable existence and are subject to exploitation, abuse and neglect causing depression, anguish and resentment. It is the responsibility of all to provide such individuals social, economic and emotional support and develop an environment congenial to their full and effective participation in social life.

2. Considering the aforesaid need, Government have been pleased to decide to set up suitable infrastructure that will help them meet the demands of daily life and soften the harsh edges of their lives. At present all Districts do not have amenities catering to these vulnerable sections. Even the facilities that exist are inadequate and not integrated with each other. It is therefore necessary to set up an integrated complex that will provide necessary infrastructural support for rescue, care, protection, skilling and rehabilitation of these vulnerable sections.

3. You are accordingly requested to identify a patch of 25 acres of land for the proposed IIC and alienate the same in favour of the Department of SSEPD. District Social Security Officer is authorised to submit the alienation proposal to the competent authority.

Yours faithfully,

*N. Chandra*  
Principal Secretary
