**(A Scheme for Protection, Care
and Rehabilitation of Beggars)**

**DEPARTMENT OF SOCIAL SECURITY AND
EMPOWERMENT OF PERSONS WITH DISABILITIES
GOVERNMENT OF ODISHA**

INTRODUCTION

The Constitution of India envisages equality, freedom, justice and dignity of all individuals and implicitly mandates an inclusive society for all. Article 21 of the Constitution provides the Right to Protection of life. Article 38 provides to secure a social order for the promotion of welfare of people by the States. Article 41 provides for making effective provisions for securing the right to work, to educate and to public assistance in case of unemployment, old age, sickness and disablement and in other cases underserved want.

The act of begging has commonly existed in every period of history. Beggary is the act of soliciting or receiving alms in a public place for earning livelihood, whether or not under any pretense such as singing, dancing, fortune-telling, performing or offering any article for sale. This act forms the source for labour disrespect decrease of human respect and damage of social and individual structure through violation of a number of humanitarian and religious feelings. For that reason, beggary stands before us as a psycho-social problem that has to be fought against and solved.

Beggary is the consequence of destitution, a situation of extreme vulnerability with multiple dimensions. Persons experiencing destitution live in a vicious cycle of poverty, homelessness, powerlessness, stigmatization, discrimination, exclusion and material deprivation, all of which mutually reinforce each other. Poverty or abandonment amongst homeless persons, persons affected with leprosy, the differently abled, persons with mental disabilities, the old, infirm and others in similar situations forced many people to adhere to begging. A substantial percentage of people who are found begging are persons with disability, infirm or affected by illnesses such as leprosy.

State laws on begging differ fundamentally in their approach towards the treatment of children found seeking alms. Under the Juvenile Justice (Care and Protection of Children) Act, 2015, children found begging are treated as victims in need of care and protection to be dealt with by child welfare committees. Some of the state laws, on the other hand, treat them as criminals who can be sent to an institution. The Beggars (Protection, Care and Rehabilitation) Model Bill of 2016 aims to set up a rehabilitative framework for people found begging. It does not criminalize begging, other than for repeated and organized begging, and does not allow for detention of dependents. It focuses instead on providing protection, care and support.

ELEMENTARY CONCEPT

Begging is defined in Indian law as soliciting or receiving alms in public place by exposing wound, injury, deformity or disease whether of himself or of any other person or animal. It is the practice of imploring others to grant a favor, often a gift of money, with little or no expectation of reciprocation. People affected with leprosy are often found displaced from mainstream society due to stigma attached to the disease and are forced to beg. The beggars include persons:

- a) soliciting or receiving alms in a public place, whether or not under any pretense such as singing, dancing, fortune-telling, performing or offering any article for sale ;
- b) entering on any private premises for the purpose of soliciting or receiving alms ;
- c) exposing or exhibiting, with the object of obtaining or extorting alms any sore, wound, injury, deformity or disease whether of a human being or animal ;
- d) having no visible means of subsistence and wandering about or remaining in any public place in such condition or manner, as makes it likely that the person doing so exists by soliciting or receiving alms ; and
- e) allowing oneself to be used as an exhibit for the purpose of soliciting or receiving alms.

The Social Security and Empowerment of Persons with Disabilities (SSEPD) Department, Government of Odisha recognizes that beggars are valuable human resource for the society and seeks to create an environment that provides them equal opportunities, protection of their rights and full participation in society. The SSEPD Department, Government of Odisha, as part of an integrated initiative for beggars promotes the new umbrella scheme “SAHAYA” for protection, care and rehabilitation of beggars to be operated in a mission mode with manifold objectives.

OBJECTIVES

The Department recognizes that beggars are valuable human resource for the society and seeks to create an enabling environment that provides them equal opportunities, protection of their rights and full participation in society. To ensure equitable justice for beggars, primarily the leprosy affected, aged and differentially abled the “SAHAYA” scheme will focus on the following broad objectives:

1. To create an enabling environment to ensure equal opportunities, equity, social justice & empowerment of beggars.
2. To encourage voluntary action and participation of all stake holders for ensuring effective implementation of the scheme.
3. To expand outreach activities for rehabilitation of beggars and create facilities for providing appropriate rehabilitation services.
4. To promote individual and group initiatives by beggars for employment, self-employment and other socio-educational services.
5. To facilitate care of children of beggars including leprosy affected persons and encourage mainstreaming of their daughters.
6. To strengthen the existing implementation machinery and create facilities for coverage of all uncovered areas of the state for ensuring complete coverage of beggars.

STRATEGY

The approach of this scheme is to make available the whole range of services necessary for rehabilitation of beggars, especially the leprosy affected, aged and differentially abled. With a view to include beggars in the mainstream of society and actualizing their potential, the thrust would be on the following key strategies:

1. Survey and identification of beggars including the leprosy affected and issuance of required certificates and multipurpose smart cards to them.
2. Promote health status through health insurance and supply and fitting of mobility aids to beggars suffering from leprosy, disability and deformity.
3. Facilitate education through pre and post-matric scholarship for education of child beggars, destitute children and children of beggars.
4. Provide livelihood support through skill development training, supply of self-employment kit and formation of self-help groups.
5. Set up Rehabilitation Centres, Counselling & Referral Centre as well as Outreach and Mobilization Units for facilitating rehabilitation of beggars.
6. Organize programmes of sensitization of workers & activists, community awareness campaign and conduct research & documentation on beggary and destitution.

The scheme of protection, care and rehabilitation of beggars aims at providing comprehensive rehabilitation support to all the target groups. The scheme will have the following programme components:

SURVEY & IDENTIFICATION

No accurate estimates on beggars are available yet except those of crude estimates. It is important to note, however, that accurate figures are unavailable due to the fact that no formal estimation of the number of beggars living in Odisha has been conducted till date. The SSEPD Dept. has taken initiatives to conduct a state wide survey on beggars, results of which are yet to come. In view of the above facts the Dept. proposes to conduct survey and identification of beggars in the state from time to time. This survey and identification process will help the Dept. to enroll all of them in different schemes and programmes.

ASSISTANCE TO PARENTS

a) Need for Supportive Money

Awareness and information is needed among parents/ guardians to support their children, setting aside their discomfort and deeply held normative attitudes. Parents should be alert to the risk of the children facing bullying and other violence outside the home — in the extended family, at schools, on the playground, and support them accordingly. They also need to take cognizance of the escalation in stress and discrimination faced by children of beggars including leprosy affected persons.

Counseling and other mental health services that affirm the child's inferiority complexes are needed for the child as well as their parents. Support groups help parents to overcome social taboos and realize that they, as parents, are not alone. Additionally, existing forums such as the Anganwadi Centres, Self-Help Groups and Bharat Nirman Volunteers (BNVs) may be oriented on these issues, and involved in providing information to parents of children and to the society at large.

Socio-economic rehabilitation of beggars is one of the core areas of concern. For this purpose skill training along with entrepreneurship development training will be one of the priority activities. But, in many cases the beggars instead of coming to vocational training centres are adopting to family professions or other economic activities with traditional training and practical experience by doing. Among all these categories a number of beggars are not interested in any financial assistance but require a startup kit to start business. They face problems in availing such kits due to want of support they require for the purpose.

Beggars in these categories will be provided Self Employment Kits depending upon their trade requirement so that they can start their business from small scale or home based units and earn livelihood for themselves and their families. For this purpose such potential beggars can be identified along with the trade they are interested in pursuing and can be provided Self Employment Kits. The composition of kits and categories of kits which can be provided will be finalized in consultation with the SSEPD Dept. by the concerned DSSOs before procurement.

Group endeavour for generating self-employment based individual income including production; marketing, service centres etc. can also be promoted by the beneficiaries. The projects must ensure the object of providing individual income to the members of the group. Such proposals must contain details of the activity, minimum ensured income per member etc. Projects not exceeding one time investment of Rs. 20.00 lakhs will be considered.

SELF HELP GROUP

Group based business activity can be good options for the beggars. Formation of Self- Help Groups by beggars can be useful. The SHGs duly constituted by not less than 5 members (both males & females) and registered with DSSOs will be supported with one time assistance of Rs. 50,000/- for initial activity support and start-up capital.

The programme envisages promoting the SHGs through skill upgradation, entrepreneurship development training, book keeping and accounting, knowledge of market and some basic skills about activity etc. DDRCs/ NGOs / Voluntary Agencies / Development Agencies/ ITIs and RUDSETI type institutions/ capable agencies with good track record and professional competence to successfully implement such training.

REHABILITATION CENTRES

Beggars, apart from training, medical support, shelter etc. also requires emotional and psychological support, and encouragement as well as personality development training. For this purpose, rehabilitation centres will be set up with composite service facilities including skill training in different trades, personality development, yoga, soft skills education, counselling and other services. The centres will have facilities of residential training, farming activities, and psycho-social motivation for coming out of the state of destitution and reintegration with the mainstream society. The rehabilitation centres will strive to assist the beggars for engaging them in meaningful and sustainable activities as a measure of rehabilitation and livelihood support.

OUTREACH & MOBILIZATION UNIT

Beggars are seen mostly in public places including market, temples and railway station and even move from door to door for seeking alms. As such beggars spread over the state soliciting or receiving alms. Outreach & Mobilization Unit will identify beggars and provide intensive counseling and motivation to all identified beggars and will refer them to different service centres. The unit will ensure access of all beggars to basic necessities they need to be provided essential entitlements such as safe shelters, food, clothing, education, safe drinking water, and sanitation with the help of grassroots organizations, so that the benefits reach the end beneficiaries. The unit will link the beggars to different schemes and

programmes of the SSEPD and other line Departments and ensure that they receive deserved services and reintegrate with the mainstream society.

MAINSTREAMING AWARD

The beggars are forced to live in solitude and often found indulged in soliciting or receiving alms in a public place in humiliating conditions. The beggars in process develop psycho-social problems and even develop sense of insecurity and inferiority complexes which at times prevent them from mainstreaming. In many cases in the initial period of mainstreaming effort many of the beggars find it difficult to continue in mainstream life even after availing packages of rehabilitative services. To ensure a long term incentive and support the beggars they are required to be awarded incentives. The beggars returning to mainstream society will be awarded an incentive support of Rs. 50,000/- . The award amount will be placed in fixed deposit in the name of person in destitution for a minimum period of three years in his name.

MARRIAGE INCENTIVES & SUPPORT

The beggars including leprosy affected persons being the victims of social taboos and situation of extreme vulnerability with multiple dimensions are often forced to stay out of the social circle along with their children. These persons experiencing destitution live in a vicious cycle of poverty, powerlessness, stigmatization, discrimination, exclusion and material deprivation, all of which mutually reinforce each other. Upbringing and education of children these people neither suffer for rearing of their children but also have to strive to educate them. The beggars including leprosy affected persons have to face the challenge in getting their daughters married to persons in mainstream social life not only due social taboos attached to them but also poverty and powerlessness.

The beggars including the leprosy affected persons getting their daughters married in mainstream social life are required to be facilitated for the purpose. This component envisages supporting such parents for marriage of their daughters. The support amount for this purpose will be limited to Rs. 50,000/-. The applicants have to apply for assistance in the prescribed form at **Annexure - C** for consideration and sanction.

SENSITIZATION OF WORKERS & ACTIVISTS

Issue concerning beggars is a cross cutting issue for many line departments and a number of officers and staff of SSEPD and other departments are involved in providing different services to the beggars. Many of employees due to lack of adequate basic knowledge and information of problems and issues concerning beggars are unable to handle the matters relating to beggars. To address the issue special provision has been made to sensitize Govt. officials, NGO heads, PRI members, corporate managers and such other officials on issues relating to beggars.

COMMUNITY AWARENESS

Services and infrastructure for rehabilitation of beggars are to be promoted and institutions in govt., NGO and even corporate sectors are to be encouraged to come forward to work for the beggars. But due to want of proper information on availability of services for them a major section of beggars are unable to take the benefit of those available services. To sensitize the beggars and their families on services, schemes and programmes available for them and educate the community at large. Under this head following activities will be admissible:

- f) IEC material preparation (print/ electronic)
- g) Organization of fairs/ festivals

RESEARCH & DOCUMENTATION

Destitution is a situation of extreme vulnerability with multiple dimensions. The beggars trapped to vicious cycle of poverty, homelessness, powerlessness, stigmatization, discrimination, exclusion and material deprivation, all of which mutually reinforce each other. Much can be learned about the experience of beggars, therefore, by studying how they are living, organizing, and advocating for their rights across different social and political conditions. Similarly documentation on rehabilitation models and initiatives is another arena of concern. For this purpose the Dept. proposes to support such research and documentation activities.

ROLE OF DISTRICT ADMINISTRATION

The District Administration will coordinate and converge the programmes and schemes of the Government for promoting comprehensive rehabilitation of the beggars in the district. District Administration needs to undertake detailed survey to identify all beggars living in the district so that an action plan to cover each person by appropriate benefits can be drawn up. Most of the problems of the beggars could be dealt with by effectively bringing them into the fold of Government schemes that already exist. However, benefits under most of the schemes are not reaching to the beggars because there is very little awareness among the implementing officers about the need to focus on the transgender persons or even earmarking of funds under schemes for beggars. Roles may include:

- a) Survey and identification of all beggars and creation of detailed database.
- b) Convergence and synergy among various development schemes for beggars such as homestead land, housing, Adhaar Card, Ration Card etc.
- c) Facilitate enrolment of all child beggars and children of beggars in schools, disbursement of scholarships and skill training of youths in destitution.
- d) Health care and restoration of their physical strength by diagnosis and treatment of their diseases and promote universal health insurance coverage.
- e) Ensure coverage of beggars in all programmes and schemes, employment and self-employment etc. and support for tool kits and CMRF assistance

- g) Help placing elderly beggars in old age homes, women beggars in Swadhar or short stay homes and lepers put in homes built under ongoing Government-programmes.
- h) Provide opportunities to all beggars for redressal of grievances, settlement of issues concerning guardianship and justice.
- i) Basic literacy should be provided and help of Art of living can be taken to develop sustainable life skills through training programme
- j) Enroll all beggars in different social security programmes and develop social identity of beggars.
- k) Promote participation of line departments, NGOs, Red Cross and other CSR agencies in the process of rehabilitation of beggars.
- l) Awards should be given by the District Administration to the top 25 beggars in the District on independence/ Republic day to those beggars who achieve complete self-transformation physically, mentally, intellectually, psychologically and socially.

ROLE OF BLOCK/ ULB ADMINISTRATION

The Block/ Urban Local Body Administration are expected to coordinate and converge the programmes and schemes of the Government for promoting comprehensive rehabilitation and due rights and opportunities for the beggars in their respective jurisdiction through:

- a) Coverage of beggars under different schemes of poverty alleviation, housing, pension etc.
- b) Sensitization of local leaders and PRI members on rights and issues concerning beggars.
- c) Participation of CBOs, BNVs, and other stake holders at the grass root level.
- d) Survey and identification of beggars, implementation of schemes and instructions issued by the Department/ District Administration.
